Athens Area Commencement Center provides individualized care to fit every patient's unique needs. The staff works with families and employers to determine an appropriate treatment plan for long term recovery success. Treatment consists of outpatient medical detoxification, partial hospitalization treatment, day and evening outpatient treatment, and aftercare. The center provides psycho-education to assist patient's understanding of their disease and to achieve a balanced and successful recovery. Licensed and Certified addiction counselors provide clients an understanding of their addiction. Individual and Group Therapy, along with the utilization of support groups come together in healing clients and families. Athens Area Commencement Center facilitates recovery through making and rebuilding lives of alcohol and drug addicted individuals. "Admitting you have a chemical dependency problem is the first step. Contacting the Athens Area Commencement Center is the second step. We can't make quitting easy, but we can make it possible."

The Athens Area Commencement Center has been providing alcohol and drug addiction treatment since 1978. Using their understanding of addiction as a family disease, the center provides holistic and preventive care. The center exists to ensure each patient reaches their destination of wellness in a safe and confidential environment. Services are provided with dignity and compassion by competent and qualified staff. Athens Area Commencement Center has a highly respectable reputation and history of a one-year abstinence rate of 80 percent, which greatly exceeds the national average. Through the structured and supportive therapeutic community provided by AACC, patients can achieve sobriety and get back to healthy living. Athens Area Commencement Center is the only alcohol and drug treatment center that provides its signature services in the 12 surrounding counties.
